The above guidelines are defined by the High Commission of India, Canada, for consular services for India, and must be strictly followed. The High Commission of India, Canada Information and Application Centre will not accept applications which do not meet above guidelines. They also reserve the right to ask for a personal interview. BLS International Services Canada Inc. have no say on whether you will be granted a visa/passport/PIO card/OCI card for India, as this is entirely the prerogative of the High Commission of India, Canada. The Mission may also request for additional documentation at any time during or after the submission of the application.

Undertaking: I certify that my documents are arranged in the order given at the Checklist above. I have been informed that any insufficiency in documentation as mentioned in the Checklist may lead to a delay in the processing/rejection of my application.
